**5:12-141.2 Expiration of gaming-related obligations owed to patrons;
date of expiration; payment to Casino Revenue Fund**

a. Whenever a casino licensee owes a patron a specific amount of money as the result of a gaming transaction which remains unpaid due to the failure of the patron to claim the money or redeem a representation of the debt issued in a form approved by the commission, regardless of whether

the identity of the patron is known, the casino licensee shall maintain a record of the obligation in accordance with the rules of the division.

b. If the patron does not claim the money or redeem the representation of debt within one year of the date of the transaction, which date shall be established in accordance with the rules of the division, the obligation of the casino licensee to pay the patron shall expire, and 25% of the money or the value of the debt shall be paid to the Casino Revenue Fund by the casino licensee, and the remaining 75% shall be retained by the casino licensee, provided the licensee uses the full amount for marketing purposes. Notwithstanding the foregoing, if the obligation was incurred or the representation of debt was issued prior to the effective date of this act, P.L.2009, c.36 (C.5:12-141.2), the obligation of the casino licensee to pay the patron shall expire one year after such effective date, at which time 50% of the money or the value of the debt shall be paid to the Casino Revenue Fund, subject to a credit for the payment required to be made to that fund on or before June 30, 2009 by the casino licensee pursuant to subsection c. of this section, and 50% shall be retained by the casino licensee.

c. Each casino licensee shall, on or before June 30, 2009, make a payment to the Casino Revenue Fund in an amount equal to 25% of the value of the money or debt owed to its patrons as a result of gaming transactions that occurred more than one year prior to the effective date of this act, P.L.2009, c.36 (C. 5:12-141.2). This payment shall be credited towards the total obligation of the casino licensee to make payments to the Casino Revenue Fund in an amount equal to 50% of the value of expired gaming related obligations pursuant to subsection b. of this section.

a. There is hereby created and established in the Department of the Treasury a separate special account to be known as the "Casino Control Fund," into which shall be deposited all license fee revenues imposed by sections 94, 139, 140, 141, and 142 of this act.

5:12-144 Tax on gross revenues

a. There is hereby imposed an annual tax on gross revenues as defined in section 24 of this act in the amount of 8% of such gross revenues.

b. Commencing with the first annual tax return of a licensee for any calendar year beginning after December 31, 1978, and ending before January 1, 1984 and based upon a determination that in said return or any annual return for a calendar year during that period the gross revenue of a licensee in the calendar year upon which the tax is based exceeds the cumulative investments in this State of said licensee as of that year, such licensee shall make investments in an amount not less than 2% of the gross revenue for said calendar year within a period of five years from the end of said calendar year. Fifty percent of the investments required by this subsection as a result of any of the three annual tax returns commencing with the first annual tax return for any calendar year beginning after December 31, 1978 shall be made in the municipality in which the licensed premises are located, and 50% of such investments shall be made in any other municipality of this State. Twenty-five

percent of the investments required by this subsection as a result of any annual tax return subsequent to the third such return in a series of returns the first of which is for a calendar year beginning after December 31, 1978 shall be made in the municipality in which the licensed premises are located, and 75% shall be made in any other municipality of this State.

All investments and cumulative investments made pursuant to this subsection shall be subject to a determination by the division as to the eligibility of such investments. In determining eligibility, the division shall consider the public interest, including the social and economic benefits to be derived from such investments for the people of this State.

c. For the purposes of this section, "investments" means equity investments in land and real property on which improvements are made and in real property improvements. For the purposes of this section, "cumulative investments" means investments in and debt financing of the licensed premises, plus other investments in and debt financing of land and real property on which improvements are made and real property improvements; provided, however, that the investments and debt financing not associated with the licensed premises have been subsequent to July 6, 1976. Real property and real property improvements sold or otherwise disposed of by the licensee shall not be included for the purposes of determining cumulative investments.

d. For the purposes of satisfying the amount of investments in any given year and of determining cumulative investments as of any given year, pursuant to subsection b., contributions of money or realty shall be included if the division determines that such contributions best serve the public interest and either (1) directly relate to the improvement, furtherance, and promotion of the tourist industry in this State through the planning, acquisition, construction, improvement, maintenance and operation of recreational, entertainment, and other facilities for the public, including, without limitation, a performing arts center, the beaches and shorefront of this State, and transportation facilities providing or enhancing service in resort areas of this State, or (2) directly relate

to the improvement, furtherance, and promotion of the health and well-being of the people of this State through the planning, acquisition, construction, improvement, maintenance, and operation of a facility, project or program approved by the division.

e. In the event that the investments required in subsection b. of this section are not made within the time set forth herein, there shall be imposed an investment alternative tax in an amount equivalent to 2% of gross revenue, which tax shall be added to the tax determined under subsection a. of this section and shall be due and payable in accordance with section 148 of P.L. 1977, c. 110 (C. 5:12-148). For the purposes of determining whether the investment alternative tax shall be paid, the State Treasurer shall certify, under such rules and regulations as he shall promulgate consistent with the provisions of this article, the amount of cumulative investments made by each licensee. In the event of the sale or other disposition of the licensed premises, any investment obligation imposed by subsection b. which is not satisfied shall be immediately deemed due and payable as investment alternative tax, and said amount shall constitute a lien upon the licensed premises until paid, together with interest at the rate specified in the "State Tax Uniform Procedure Law," Subtitle 9 of Title 54 of the Revised Statutes; provided, however, that the appointment of a conservator under section 31 of P.L. 1978, 7, shall not constitute a sale or other disposition of the licensed premises within the meaning of this subsection, and provided further that if, in the judgment of the division, a sale or other disposition does not significantly affect the operations of a casino licensee with respect to such premises, the division may permit the investment obligation imposed on such licensee to continue under such conditions as the division may deem appropriate.

f. The division shall promulgate rules and regulations consistent with the provisions of this article as to the eligibility of the investments and cumulative investments required by this section.

g. The Casino Reinvestment Development Authority shall, simultaneous with the initial exercise of its general powers and responsibilities pursuant to section 39 of P.L. 1984, c. 218, assume and exercise all powers and responsibilities and make all determinations necessary to the administration of subsections b. through f. of section 144 of P.L.1977, c. 110 (C. 5:12-144) theretofore exercised or made by the division, including the resolution of all matters then pending before the division. Subsequent to the initial exercise of its general powers and responsibilities by the Casino Reinvestment Development Authority, the division shall make no further determinations of eligibility under this section except as may be necessary to enable a licensee to satisfy an investment obligation which is due in calendar year 1984, and shall have no further responsibility for planning or redevelopment activity with regard to the use of reinvestment funds generated by either subsections b. through f. of section 144 of P.L.1977, c. 110 (C. 5:12-144) or subsection b. of section 3 of P.L.1984, c. 218 (C. 5:12-144.1). All determinations made in accordance with this section shall be final and subject only to alteration by a decision of a court.

h. Notwithstanding any other provision of this section to the contrary, any investment required by this section which has not been commenced by a licensee as of the effective date of this 1984 amendatory and supplementary act, other than an investment which is necessary to enable a licensee to satisfy an investment obligation which is due in calendar year 1984, may only be satisfied through the purchase of bonds of the Casino Reinvestment Development Authority issued pursuant to sections 14 and 15 of P.L. 1984, c. 218 (C. 5:12-162 and 5:12-163), except that the date by which the investment shall be made, and the amount of the investment or investment alternative tax obligation, shall be that set forth in subsections b. and e. of this section.

Notwithstanding the provisions of subsections b. and c. of this section, any investment obligation which is due in calendar year 1984 which has not been commenced or satisfied by December 31, 1984 may, at the option of the

licensee and with the approval of the division, and in lieu of or in addition to making any other investment or contribution authorized by this section, be satisfied subsequent thereto by the purchase, or the agreement to make a purchase, of bonds of the Casino Reinvestment Development Authority. Any licensee desiring to exercise this option, with the approval of the division, shall transfer and entrust the necessary amount to the State Treasurer, who shall maintain the funds until the initial exercise by the Casino Reinvestment Development Authority of its general powers and responsibilities pursuant to section 39 of P.L.1984, c. 218. Immediately subsequent to the initial exercise of its general powers and responsibilities by the Casino Reinvestment Development Authority, the State Treasurer shall transfer any such entrusted funds to the Casino Reinvestment Development Authority for the purchase of bonds by the licensee in amounts equivalent to the amount of the funds deposited by the licensee with the State Treasurer. Until he transfers the funds to the Casino Reinvestment Development Authority, the State Treasurer shall be authorized to invest and reinvest such funds through the Director of the Division of Investment, who shall make such investments in accordance with written directions of the State Treasurer, without regard to any other law relating to investments by the Director of the Division of Investment. Any interest earned on the funds while they are entrusted to the State Treasurer shall accrue to the licensee and the Casino Reinvestment Development Authority in the same proportion as if the funds were held and invested by the Casino Reinvestment Development Authority pursuant to subsection m. of section 13 of P.L. 1984, c. 218 (C. 5:12-161).

The proceeds of all bond purchases made pursuant to this subsection shall be used exclusively to finance the rehabilitation, development, or construction of housing facilities in the city of Atlantic City for persons or families of low through middle income in accordance with the provisions of subsection f. of section 3 of P.L.1984, c. 218 (C. 5:12-144.1).

i. If a licensee has incurred an investment obligation which requires bonds to be purchased pursuant to the provisions of subsection h. of this section and the licensee purchases bonds of the Casino Reinvestment Development Authority issued pursuant to sections 14 and 15 of P.L.1984, c. 218 (C. 5:12-162, 5:12-163) in satisfaction of that obligation no later than six months after the adoption by the Casino Reinvestment Development Authority of rules and regulations pursuant to subsection j. of section 3 of P.L.1984, c. 218 (C. 5:12-144.1), the licensee shall be entitled to a reduction of its investment obligation in an amount determined by the Casino Reinvestment Development Authority, taking into account a current market discount rate from the date of the purchase to the date the purchase would have been required to be made. Any purchase of bonds made pursuant to this subsection shall first be used to satisfy the licensee's most recently incurred investment obligation. That purchase of bonds shall not constitute a credit against the tax provided for in subsection a. of section 3 of this 1984 amendatory and supplementary act.

Amended by:

5:12-144.1 Imposition of investment alternative tax

a. (1) Commencing with the first annual tax return of a licensee for any calendar year beginning after December 31, 1983, there is imposed an investment alternative tax on the gross revenues as defined in section 24 of P.L. 1977, c. 110 (C. 5:12-24) of the licensee in the amount of 2.5% of those gross revenues. The tax imposed with respect to each calendar year shall be due and payable on the last day of April next following the end of the calendar year. The State Treasurer shall have a lien against the property constituting the

casino of a licensee for the amount of any tax not paid when due. No tax shall be imposed, however, on the gross revenues received by a licensee during the first 12 months of the operation of any casino that commences operation after January 1, 1984, but prior to the effective date of this act, P.L.1996, c. 118 (C. 5:12-173.3a et al.).

(2) A licensee shall pay to the State Treasurer on or before the 15th day of the first, fourth, seventh, and 10th months of each year as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection an amount equal to 1.25% of the estimated gross revenues for the three-month period immediately preceding the first day of those months. The moneys received shall be placed in an escrow account and shall be held until the licensee directs that the moneys be transferred to the Casino Reinvestment Development Authority for the purchase of bonds issued by or offered through the Casino Reinvestment Development Authority or pursuant to a contract for such a purchase, be made available to the licensee for a direct investment approved by the authority, or be transferred to the Casino Revenue Fund as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection. Any interest derived from the moneys in the escrow account shall be paid or made available to the Casino Revenue Fund. If a licensee fails to pay the amount due or underpays by an unjustifiable amount, the division shall impose a fine of 5% of the amount due or of the underpayment, as the case may be, for each month or portion thereof the licensee is in default of payment, up to 25% of the amount in default. Any fine imposed shall be paid to the Casino Reinvestment Development Authority and shall be used for the purposes of this 1984 amendatory and supplementary act.

b. Each licensee shall be entitled to an investment tax credit against the tax imposed by subsection a. of this section, provided the licensee shall pay over the moneys required pursuant to section 5 of P.L.1993, c.159 (C.5:12-173.5): (1) for the first 10 years of a licensee's tax obligation, in an amount

equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and (2) for the remainder of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and twice the amount of investments made by a licensee in other approved eligible investments made pursuant to section 25 of this act. The Casino Reinvestment Development Authority shall have the power to enter into a contract or contracts with a licensee pursuant to which the Casino Reinvestment Development Authority agrees to issue and sell bonds to the licensee, and the licensee agrees to purchase the bonds issued by or offered through the Casino Reinvestment Development Authority, in annual purchase price amounts as will constitute a credit against at least 50% of the tax to become due in any future year or years. The contract may contain those terms and conditions relating to the terms of the bonds and to the issuance and sale of the bonds to the licensee as the Casino Reinvestment Development Authority shall deem necessary or desirable. The contract shall not be deemed to be in violation of section 104 of P.L.1977, c. 110 (C. 5:12-104). After the first 10 years of a licensee's investment alternative tax obligation, a licensee will have the option of entering into a contract with the Casino Reinvestment Development Authority to have its tax credit comprised of direct investments in approved eligible projects. These direct investments shall not comprise more than 50% of a licensee's eligible tax credit in any one year.

The entering of a contract pursuant to this section shall be sufficient to entitle a licensee to an investment tax credit for the appropriate tax year.

c. A contract entered into between a licensee and the Casino Reinvestment Development Authority may provide for a deferral of payment for

and delivery of bonds required to be purchased and for a deferral from making approved eligible investments in any year, but no deferral shall occur more than two years consecutively. A deferral of payment for any bonds required to be purchased by a licensee and a deferral from making approved eligible investments may be granted by the Casino Reinvestment Development Authority only upon a determination by the Division of Gaming Enforcement that purchase of these bonds or making approved eligible investments would cause extreme financial hardship to the licensee and a determination by the Casino Reinvestment Development Authority that the deferral of the payment would not violate any covenant or agreement or impair any financial obligation of the Casino Reinvestment Development Authority. The contract may establish a late payment charge to be paid in the event of deferral or other late payment at a rate as shall be agreed to by the Casino Reinvestment Development Authority. If a deferral of purchase or investment is granted, the licensee shall be deemed to have made the purchase or investment at the time required by the contract, except that if the purchase is not made at the time to which the purchase or investment was deferred, then the licensee shall be deemed not to have made the purchase or investment. The Division of Gaming Enforcement shall adopt regulations establishing a uniform definition of extreme financial hardship applicable to all these contracts. If a licensee petitions the Casino Reinvestment Development Authority for a deferral, the Casino Reinvestment Development Authority shall give notice of that petition to the Division of Gaming Enforcement within three days of the filing of the petition. The Division of Gaming Enforcement shall render a decision within 60 days of notice as to whether the licensee has established extreme financial hardship. The Casino Reinvestment Development Authority shall render a decision as to the availability of the deferral within 10 days of the receipt by it of the decision of the Division of Gaming Enforcement and shall notify the Division of Gaming Enforcement of that decision. If a deferral is granted, the Casino Reinvestment Development Authority may determine whether the

purchases or investments shall be made in a lump sum, made over a period of years, or whether the period of obligation shall be extended an additional period of time equivalent to the period of time deferred.

d. The license of any licensee which has defaulted in its obligation to make any purchase of bonds or investment in any approved eligible project under a contract entered into pursuant to subsection b. of this section for a period of 90 days may be suspended by the Casino Control Commission upon report and recommendation of the division until that purchase is made or deferred in accordance with subsection b. of this section, or a fine or other penalty may be imposed upon the licensee by the commission. If the Casino Control Commission elects not to suspend the license of a licensee after the licensee has first defaulted in its obligation the division may instead impose some lesser penalty. In such event, if the licensee continues to be in default of its obligation after a period of 30 additional days and after any additional 30-day period, the division may impose another fine or penalty upon the licensee, and may again recommend that the commission suspend that licensee's license. The fine shall be 5% of the amount of the obligation owed for each month or portion thereof a licensee is in default, up to 25% of that obligation; shall be paid to the Casino Reinvestment Development Authority; and shall be used for the purposes of this 1984 amendatory and supplementary act.

e. A contract entered into by a licensee and the Casino Reinvestment Development Authority pursuant to subsection b. of this section may provide that after the first 10 years of a licensee's investment alternative tax obligation imposed by subsection a. of this section, the Casino Reinvestment Development Authority may repurchase bonds previously sold to the licensee, which were issued after the 10th year of a licensee's investment alternative tax obligation, by the Casino Reinvestment Development Authority, if the Casino Reinvestment Development Authority determines that the repurchase will not violate any agreement or covenant or impair any financial obligation of the Casino Reinvestment Development Authority and that the licensee will reinvest

the proceeds of the resale in an eligible project approved by the Casino Reinvestment Development Authority.

f. (1) During the 50 years a licensee is obligated to pay an investment alternative tax pursuant to subsection k. of this section, the total of (a) the proceeds of all bonds purchased by a licensee from or through the Casino Reinvestment Development Authority and (b) all approved investments in eligible projects by a licensee shall be devoted to the financing of projects in the following areas and amounts:

Areas	Yrs 1-3	Yrs 4-5	Yrs 6-10	Yrs 11-15	Yrs 16-20	Yrs 21-25	Yrs 26-30	Yrs 31-35	Yrs 36-50
(a) Atlantic City	100%	90%	80%	50%	30%	20%			
(b) South Jersey		8%	12%	28%	43%	45%		25%	50%
(c) North Jersey		2%	8%	22%	27%	35%	35%	50%	50%
(d) Atlantic City through the Atlantic City Fund							65%	25%	

except that, with respect to the obligations for calendar years 1994 through 1998, the amount allocated for the financing of projects in North Jersey from each casino licensee's obligation shall be the amount allocated for calendar year 1993, and the difference between that amount and the amount to be allocated to North Jersey, on the basis of the above schedule, from each casino licensee's obligations for calendar years 1994 through 1998 shall be paid into or credited to the Atlantic City Fund established by section 44 of P.L.1995, c.18 (C.5:12-161.1) and be devoted to the financing of projects in Atlantic City through that fund. For the purposes of this paragraph, "South Jersey" means the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem, except that "South Jersey" shall not include the City of Atlantic City; and "North Jersey" means the remaining 12 counties of the State. For the purposes of this 1984 amendatory and supplementary act, bond "proceeds" means all funds received from the sale of bonds and any funds generated or derived therefrom.

In the financing of projects outside Atlantic City, the Casino Reinvestment Development Authority shall give priority to the revitalization of the urban areas of this State in the ways specified in section 12 of this 1984 amendatory and supplementary act. Those areas shall include, but not be limited to, all municipalities qualifying for aid pursuant to P.L.1978, c. 14 (C. 52:27D-178 et seq.).

Within nine months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in South Jersey for the first seven years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first seven years of the receipt of funds by South Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the seventh year of the receipt of funds by South Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an

eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

Within 36 months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in North Jersey for the first five years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first five years of the receipt of funds by North Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete

that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the fifth year of the receipt of funds by North Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

(2) Commencing with the first year in which a licensee incurs a tax obligation pursuant to this section, and for the period of two years thereafter, 100% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City pursuant to paragraph (1) of this subsection shall be used exclusively to finance the rehabilitation, development, or construction of or to provide mortgage financing of housing facilities in the city of Atlantic City for persons or families of low through middle income, as defined in this subsection. For the purposes of this subsection, the "rehabilitation, development, or construction of housing facilities" shall include expenses attributable to site preparation, infrastructure needs and housing-related community facilities and services, including supporting commercial development. Commencing with the fourth year in which a licensee incurs a

tax obligation pursuant to this subsection, 50% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of housing facilities in the city of Atlantic City for persons or families of low through middle income. Commencing with the 11th year in which a licensee incurs a tax obligation pursuant to this section, 50% of the annual aggregate of the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City and investments in approved eligible projects commenced by a licensee in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of or to provide mortgage financing of housing facilities in the city of Atlantic City for persons or families of low through middle income.

(3) The Legislature finds that it is necessary to provide for a balanced community and develop a comprehensive housing program. The Casino Reinvestment Development Authority shall determine the need for housing in the city of Atlantic City, in consultation with the city of Atlantic City and specifically its zoning and planning boards. This shall include determining the types and classes of housing to be constructed and the number of units of each type and class of housing to be built. The Casino Reinvestment Development Authority shall give priority to the housing needs of the persons and their families residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act. The actual percentage of the proceeds of bonds and investments in approved eligible projects commenced by a licensee in the city of Atlantic City, which shall be used exclusively to finance the rehabilitation, development, or construction of or to provide mortgage financing of housing facilities in the city of Atlantic City for persons or families of low through middle income, shall be based upon the authority's determination of the need

for housing in the city of Atlantic City conducted pursuant to this subsection. Once the housing needs of the persons residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act have been met, as determined by the Casino Reinvestment Development Authority pursuant to this subsection, any required percentages for such housing in the city of Atlantic City may, in its sole discretion, be waived by the Casino Reinvestment Development Authority. To aid the Casino Reinvestment Development Authority in making these determinations, the Casino Reinvestment Development Authority shall review the proposal for a housing redevelopment program and strategy for the city of Atlantic City approved and adopted by the Casino Control Commission and shall give priority to same and any other plan or project which is consistent with the standards of this subsection and is acceptable to the Casino Reinvestment Development Authority, pursuant to section 25 of this 1984 amendatory and supplementary act. The Casino Reinvestment Development Authority may determine whether the funds used to finance housing facilities in the city of Atlantic City for persons or families of low, moderate, median range, and middle income are derived from the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority to be devoted to the financing of projects in the city of Atlantic City, investments in approved eligible projects commenced by a licensee in the city of Atlantic City, or a combination of both. Any investment made by a licensee in excess of 100% of its eligible investment tax credit during the first three years and in excess of 50% thereafter in either the purchase of bonds or direct investments in approved eligible projects for low, moderate, median range, and middle income family housing facilities in the city of Atlantic City may be carried forward and credited against the licensee's obligation to make a 100% investment during the first three years and 50% thereafter in low, moderate, median range, and middle income family housing in any future year, with the approval of the Casino Reinvestment Development Authority. For the purposes of this act, "low

income families" means families whose income does not exceed 50% of the median income of the area, with adjustments for smaller and larger families. "Moderate income families" means families whose income does not exceed 80% and is not less than 50% of the median income for the area, with adjustments for smaller and larger families. "Median range income families" means families whose income does not exceed 120% and is not less than 80% of the median income for the area, with adjustments for smaller and larger families. "Middle income families" means families whose income does not exceed 150% and not less than 120% of the median income for the area, with adjustments for smaller and larger families. "Median income" means an income defined as median within the Standard Metropolitan Statistical Area for Atlantic City by the United States Department of Housing and Urban Development.

In order to achieve a balanced community, the authority shall ensure that the development of housing for families of low and moderate income shall proceed at the same time as housing for families of median range and middle income, until such time as there is no longer a need for such facilities in the city of Atlantic City, as determined by the Casino Reinvestment Development Authority.

(4) Notwithstanding any other law or section to the contrary, particularly this subsection regarding the waiver of the required percentages for housing in the city of Atlantic City, subsection i. of section 14, and sections 26, 27, 28, 29, and 31 of this 1984 amendatory and supplementary act, nothing shall be implemented or waived by the Casino Reinvestment Development Authority which would reduce, impair, or prevent the fulfillment of the priorities established and contained in this subsection of this 1984 amendatory and supplementary act.

g. If a person is a licensee with regard to more than one approved hotel pursuant to section 82 of P.L.1977, c. 110 (C. 5:12-82), the person shall separately account for the gross revenues, the investment alternative tax obligations, and the investments for a tax credit against the investment

alternative tax for each approved hotel, and the tax obligations of the licensee under this section shall be determined separately for each approved hotel. The licensee may apportion investments between its approved hotels; provided that no amount of investment shall be credited more than once. If a licensee receives the prior approval of the Casino Reinvestment Development Authority, the licensee may make eligible investments in excess of the investments necessary to receive a tax credit against the investment alternative tax for a given calendar year, and the licensee may carry forward this excess investment and have it credited to its next investment alternative tax obligation. If the Casino Reinvestment Development Authority approves of such excess investment and approves the carry forward of this excess investment, and a licensee elects to purchase bonds of the Casino Reinvestment Development Authority or makes direct investments in approved eligible projects in excess of the investments necessary to receive a tax credit against the investment alternative tax for its current obligation, the licensee shall be entitled to a reduction of the amount of investments necessary in future years, which amount shall be determined annually by the Casino Reinvestment Development Authority, taking into account a current market discount rate from the date of the purchase or investment to the date the purchase or investment would have been required to be made.

h. Each casino licensee shall prepare and file, in a form prescribed by the Casino Reinvestment Development Authority, an annual return reporting that financial information as shall be deemed necessary by the Casino Reinvestment Development Authority to carry out the provisions of this act. This return shall be filed with the Casino Reinvestment Development Authority and the Division of Gaming Enforcement on or before April 30 following the calendar year on which the return is based. The Division of Gaming Enforcement shall verify to the Casino Reinvestment Development Authority the information contained in the report, to the fullest extent possible. Nothing

in this subsection shall be deemed to affect the due dates for making any investment or paying any tax under this section.

i. Any purchase by a licensee of bonds issued by or offered through the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this act and subsection b. of this section and all approved eligible investments made by a licensee pursuant to section 25 of this act and subsection b. of this section are to be considered investments and not taxes owed or grants to the State or any political subdivision thereof. As such, a licensee shall have the possibility of the return of principal and a return on the capital invested as with other investments. Investors in the bonds issued by or offered through the Casino Reinvestment Development Authority shall be provided with an opinion from a recognized financial rating agency or a financial advisory firm with national standing that each loan of bond proceeds by the Casino Reinvestment Development Authority has the minimum characteristics of an investment, in that a degree of assurance exists that interest and principal payments can be made and other terms of the proposed investment be maintained over the period of the investment, and that the loan of the bond proceeds would qualify for a bond rating of "C" or better. If an opinion cannot be obtained from a recognized financial rating agency or a financial advisory firm with national standing, an opinion shall be obtained from an expert financial analyst with national standing, selected and hired by the Casino Reinvestment Development Authority. In order to achieve a balanced portfolio, assure the viability of the authority and the projects, facilities and programs undertaken pursuant to this 1984 amendatory and supplementary act, no more than 25% of the total investments made by or through the Casino Reinvestment Development Authority with the proceeds of bonds generated in each year shall be investments which would qualify for a bond rating of "C", unless all holders of obligations in each year agree to waive the 25% limit for that year. Nothing herein shall be interpreted as limiting the Casino Reinvestment Development Authority from taking any steps it deems

appropriate to protect the characteristics of its investment in projects or any other investments from not being real investments with a prospect for the return of principal and a return on the capital invested. Anything contained in this section shall not be considered a guarantee by the State or any political subdivision thereof of any return of principal or interest, but any purchase by a licensee of bonds or approved eligible investments made by a licensee pursuant to this act shall be at the risk of the licensee. A licensee or the licensees purchasing an issue of bonds issued by the Casino Reinvestment Development Authority in any given year may arrange, at their option, for those bonds or the investments, made by or through the Casino Reinvestment Development Authority with the proceeds of those bonds, to be insured. The cost of any such insurance purchased by a licensee or licensees shall be paid by the licensee or licensees desiring such insurance.

j. The Casino Reinvestment Development Authority shall promulgate rules and regulations deemed necessary to carry out the purposes of this section.

k. The obligation of a licensee to pay an investment alternative tax pursuant to subsection a. of this section, including a casino licensee subject to the provision of section 13 of P.L.2001, c.221 (C.5:12-173.21), shall end for each licensed facility operated by the licensee 50 years after any investment alternative tax obligation is first incurred in connection with each licensed facility operated by the licensee, unless extended in connection with a deferral granted by the Casino Reinvestment Development Authority pursuant to subsection c. of this section.

l. Within 90 days of the effective date of this act, P.L.2004, c.129, the State Treasurer shall certify the amounts that were invested pursuant to this section in South Jersey, as defined in subsection f. of this section, for projects located in the City of Atlantic City. Notwithstanding subsection f. of this section, beginning in State fiscal year 2005, the amount of (a) proceeds of all bonds purchased by a licensee from or through the Casino Reinvestment

Development Authority and (b) all approved investments in eligible projects by a licensee devoted pursuant to subsection f., shall not exceed the amount devoted for those purposes in State fiscal year 2004. Any amounts in excess of the amounts devoted in State fiscal year 2004, after fulfilling all fund reservations, bonding and contractual obligations, shall be devoted to the financing of projects in South Jersey. For the purpose of this section, "South Jersey" means the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem, except that the term shall not include the City of Atlantic City. The provisions of this subsection shall terminate when excess amounts devoted to the financing of projects in South Jersey equal the amount certified by the State Treasurer.

5:12-144.2 Annual deduction from gross revenue relative to promotional gaming credits

a. A casino licensee shall receive an annual deduction from the gross revenue taxed pursuant to subsection a. of section 144 of P.L.1977, c.110 (C.5:12-144) in an amount equal to either (1) the promotional gaming credits reported by that licensee in its annual tax return or (2) such other portion of the promotional gaming credits reported by all casino licensees as the division may allocate to a particular licensee to reflect that licensee's pro rata share of the costs of the 2008 agreement executed between the New Jersey Sports and

Exposition Authority and the Casino Association of New Jersey for the benefit of the horse racing industry.

b. Casino licensees shall be allowed a deduction from gross revenues for a tax year pursuant to subsection a. of this section for the total value of promotional gaming credits redeemed by patrons at all licensed casinos for that tax year in excess of \$90,000,000. For the first tax year in which this act becomes operative pursuant to section 3 of this act, P.L.2008, c.12, the commission shall reduce the \$90,000,000 deduction threshold for that tax year in proportion to the part of the tax year that has elapsed prior to that operative date.

c. The division shall establish, by regulation, procedures and standards for allocating the deduction established pursuant to this section to reflect each licensee's pro rata share of the costs of the 2008 agreement executed between the New Jersey Sports and Exposition Authority and the Casino Association of New Jersey for the benefit of the horse racing industry and procedures and standards for each licensee to take the deduction established pursuant to this section to reflect those deductions that exceed the costs of the 2008 agreement. Such regulations shall include standards for the allocation of the \$90,000,000 deduction threshold established in subsection b. of this section, the timing of the application of deductions, and all other matters related to the provisions of this section.

d. (1) The division shall establish, by regulation, procedures to ensure that the promotional gaming credit deduction established pursuant to this section does not result in a negative fiscal impact to the Casino Revenue Fund. If necessary, the division may reduce the value of the available deduction to eliminate any negative fiscal impact to the Casino Revenue Fund attributable solely to the deduction and not to other economic or other factors that cause a negative fiscal impact to the Casino Revenue Fund.

(2) For the purposes of this subsection, "negative fiscal impact to the Casino Revenue Fund" shall mean that the amount generated from

taxation of promotional gaming credits falls below the level generated in calendar year 2007.

Any casino licensee whose licensed premises are located in an area which has been declared, by the Department of Community Affairs and the division, to be a blighted area, or an area endangered by blight, may, for a period of not more than 25 years, enter into a written agreement with the Department of the Treasury, which agreement shall, with respect to real property held for use as a licensed casino hotel, provide for the payment of taxes to the tax collector of the municipality, in lieu of full local real property tax payments, in an amount to be computed by the sum of the following amounts, payable at the time specified by law for the payment of local property taxes;

(1) An annual amount equal to 2% of the cost of the real property investment. For the purposes of this section, "cost of the real property investment" means only the actual cost or fair market value of direct labor and all materials used in the construction, expansion, or rehabilitation of all buildings, structures, and facilities at the project site, including the costs, if any, of land acquisition and land preparation, provision of access roads, utilities, drainage facilities, and parking facilities, together with architectural, engineering, legal, surveying, testing, and contractors' fees associated with the project; provided, however, that the applicant shall cause such costs to be certified and verified to the Department of the Treasury by an independent certified public accountant, following the completion of the investment in the project; and provided further, however, that upon execution of an agreement pursuant to this section, only real property improvements made after July 6, 1976 shall be subject to the provisions herein; plus

(2) An amount equivalent to the difference between an amount that would have been payable as property taxes under the full local property tax rate and the amount calculated pursuant to subsection a.(1) of this section, which shall be payable from such profits, if any, as hereinafter defined in section 147, as shall remain after deducting therefrom interest and principal paid on mortgage loans applicable to the real property held for use as a licensed casino hotel. The total payments provided by this section shall not exceed the full local property taxes normally payable for the year.

b.
